PRESIDENT'S CORNER

The 2007/2008 Executive is a wonderful cross section of new and long-time members of VISCDS but unfortunately the position of President remains open. The nominating committee was unable to find any candidates and there were no nominations from the floor at the annual general meeting. As we start planning for the new dancing season the guidance of the President's role becomes more and more important. We need the membership's help in supporting the Executive to find a President. Please contact any member of the Executive if you have any ideas or could offer your talents to serve as President.

As there is no formal President's message, the new Executive would like to take this opportunity to thank Bill Greig for his dedication over the last year. As most of you know Bill lives in Chemainus and has put many kilometers on his vehicle attending meetings, socials, events – and yes, even the recent May 21st parade. He has been a focal point for all activities and announcements and has kept us well informed through email notices. His guidance and concern for the new Executive have also been greatly appreciated.

Bill, thank you from all of us for a great year and offering your time, friendship and good advice!

September 10, 2007 VISCDS OPEN HOUSE – 7:30 PM McKenzie Elementary, 4005 Raymond St. N

President's Report

The executive reports that have been previously given fairly well depict the present state of the Vancouver Island Scottish Country Dance Society. Starting after the AGM last year there was a learning period of what essential items needed to be progressed. Teachers concerns, namely music machines, a JVC and speakers for the Society's Technics machine were purchased thereby satisfying 2 teachers requirements. I would like to thank Walter Roots for building a proper locker to store the new speakers which also allowed for the Technics machine and speakers to be kept in a secure place here at the church. As the summer progressed Class/Social dates were identified and reported to the membership. During this time the church hall floor was refurbished, and further liaising with the Church revealed that because of increased costs of utilities, repairs and maintenance that an increase in hourly rental fees would be required. After some negotiation an hourly rate was agreed to, and as you can see, the affect is reflected in our Financial Report. I would like at this point to suggest to the membership that be prepared for another increase in the hourly rate this year, there are indications that this may be so.

Starting with the Open House, classes commenced in the late summer/early fall. Because of Easter falling later in 2007 than the previous year, it was decided, to extend the dancing year with a commensurate increase in class fees, to help cover the church hall rental and teachers fees. Our socials starting with the Spring Fling 2006 right up to our Workshop and Ball Weekend 2007 were well attended, with 2 joint socials, Christmas and the Burns Night, held jointly, being successful. Our Workshop and Ball Weekend after some apprehension and surprising to some, was quite successful, and assuredly could not have been so without the hard work of the Ball Committee volunteers. At this point I would like to mention with great appreciation all the good work of all our volunteers. Setting up for socials, decorating, garnering and laying out of food, and other numerous duties, we couldn't have done so well without them. A big Thank you.

During the evening of the Spring Fling 2006 last year I received information regarding applying for the Lottery Grant again, we had been informed we weren't eligible to receive any further grants. I then colluded with our Treasurer and after some discussion he obtained the requisite forms, and compiled an excellent report which was forwarded, and surprisingly to both of us, I believe, we had obtained another grant.

In November at the St Andrews social, an EGM was held to address some constitutional changes; all four amendments were passed and registered. If you wish a copy of them they are available through the Secretary.

Finally, I would like to acknowledge the members of the Executive; I can say unequivocally, it was a pleasure to have worked with such a good group of people. A further final acknowledgement, the teachers, we cannot do without them, I say that with some tongue in cheek, because we all know that, but without the fun, enjoyment and their tricky dances, a suggestion, don't ever believe the following phrase "Okay, now we'll do an easy dance." we wouldn't enjoy dancing so much. In seriousness, teaching is not an easy task, I admire them for their conscientious work, they give us a good example to follow.

Classes this year, regrettably took a bit of a beating, largely because of weather, the way holidays fell and school/church requirements, yet we managed in the main to get them in.

Some recommendations:

We need to be aggressive in obtaining new members, and utilize every opportunity to gain them. It doesn't need to be reiterated here, it has been talked about enough what will happen if we don't recruit. Our membership is dwindling, with a resultant decrease in revenue, and there is a need to look at our membership, class fees, and other associated fees, which the executive will assuredly do.

Lastly, I should like to thank all the membership for their support to the Society, its functions, and activities. You are a good group of people and I am happy to be associated with you.

I submit this report for your acceptance.

Bill Greig, President

31st Annual Ball and Workshop Weekend

During the weekend of March 30, 31 and April 1 we celebrated our 31st Annual Ball and Workshop.

Knowing this year we would have competition from other on and off island dancing events we were expecting our numbers to be down considerably from last year, but after a slow response the numbers came rolling in, and at the end we had a respectable 161 registrants for the weekend. Although we had to increase the prices a little, and I kept everyone on a very tight budget, I am delighted to tell you we made a profit of \$664.00, which I might add I will be requesting to be used on replacement purchases for critically needed supplies for decorating.

119 attended the Friday night Ceilidh where numerous ceilidh acts performed by local and out of town guests were interspersed between dances. Our very talented musicians for the evening and throughout the weekend were Ken Natrass and Ron Krug from Winnipeg.

We listened to our members concerns about selling raffles tickets and changed to a Silent Auction; I am pleased to announce a profit of \$1222.00. Thanks to all who donated.

84 dancers attended the Saturday morning workshops, 15 level 1, 26 level 2, 43 level 3.

The afternoon options were:

John Wilkinson's dances, 33 attended

Evelyn Nixon's Having Confidence at Socials, 11 attended

Bob Anderson Ball Walk Through, 21 attended

This year we tried to encourage more beginner dancers and offered an all day program for them, for the first time our own teachers Joan Axford and Bob Anderson taught the morning level 1 class, Evelyn Nixon the afternoon option.

We must thank Rob Robinson and his wife Diane for hosting the Ball at the Wardroom, 110 attended the banquet and 105 dancers took to the floor after the Grand March.

100 very happy social dancers were present at the ever-popular Sunday Dancing and Brunch at the CPO's Mess hosted by Jim and Anne Scott. Anne and the staff made a few changes for the better and once again the buffet was enjoyed by all.

Our teachers from away who brought their expertise were John Wilkinson, Duns Scotland and Evelyn Nixon, Comox. John and his wife Ruby stayed for another night and very kindly taught a social evening of dancing for all that cared to join them.

To my rookie committee and all the other volunteers who came together to make this a success in hosting a popular and happy dancing weekend, I thank you all.

Respectfully submitted Lesley Brennand, Ball & Workshop Coordinator

Congratulations Gordon !

VISCDs would like to congratulate Gordon Robinson on recently achieving his teacher's certificate. What a significant accomplishment and we share in the celebration of his success!

Lower Intermediate Class – Spring Fling – April 28th

The best, as always, was saved for last and if you missed the Lower Intermediate Class “Spring Fling” you missed the Grande Finale of the Social Season. Spring was definitely in the air for the nearly fifty attendees who arrived dressed in an array of finery that brought the best of what had been a beautiful day indoors for the dance. With the ladies sporting the colours of spring and the gents in kilts and “troosers” this crowd was obviously expecting a great evening and the Lower Intermediate Class delivered. A great program put together by teachers Una Lennam and Sue and Rob Langridge had virtually everybody up for every dance save for those who had worn themselves out gardening earlier in the day or were doing the TC 10K the next day. A random poll of favourite dances included “Let’s Have a Ceilidh” (Mary Cooper), “Catch the Wind” (Kathryn Deegan), “Trip to Bavaria” (Jacquie Storey), “Dream Catcher” (Bill Greig), all of them (Howard and Faye Sturrock). The evening was given an international touch with three students from Pearson College; Lawa from Mongolia, Nora from Bulgaria who brought a Bulgarian cheese dish, and Maelena from Greenland who played the flute during the break (“Danny Boy” a traditional Irish air and “Minuet of the Blessed Spirits” by Gluck). And, speaking of the break, the nibblies were great. The Lower Intermediate Class isn’t large but you wouldn’t know it by the quantity and variety of goodies to choose from. For anyone thinking of joining this class be forewarned: you’ll have to dance twice as long to work off some of the treats this group produces. In all, a wonderful evening put on by a great class for a spirited group of guests

Best line of the evening: Sue Langridge announcing, “There are two more spot prizes. One of them is a nice little box of stationery; the other is the role of president.”

Mystery of the Depths of the Sporrans Revealed: Not a shy group of gents at this social they were happy to spill the beans (and the contents of their sporrans). Handkerchiefs, money, car keys, driver’s license, cell phone and a pewter flask purported to be empty. It’s not worth trying to rob a Scot in a kilt by the way. The most money any sporran sported was \$10.00.

Happy Spring Everyone!
Linda Adams, Class Rep

Highland Games and May Day Parade

Well it’s a good thing it was the “High Land” games taking place on May 20th at Bullen Park and not the “Low Land” games or we would have been drowned out for sure! It was barely past 8:00 a.m. and the Danks Clan had just put up our booth when the rain starting pouring. Unfortunately it didn’t get any better for the rest of the day. Brightly clad with tartan, banner and flags our booth made a wonderful gathering place and we were all able to share a few laughs with VISCDS members who stopped by. We thoroughly enjoyed talking to everyone and collected 6 to 8 names of interested people for classes, and had a great opportunity to promote dancing in the park to newcomers. Ian Danks would like to thank Rick Deegan, Sara Hatfield and Mary Roberts for taking a shift and helping out at the booth.

The highlight of the day was a dancing demonstration by our Dem Team. Quick to adapt to any surroundings the team found themselves dancing on the grass, thankfully under a tent, and had an appreciative crowd who enjoyed the performance very much.

Many thanks to Ian and Heather Danks who organized, assembled/disassembled and decorated the booth plus stayed for the full day.

On May 21st Bill Greig, Merle Peterson, Gordon Robinson and June Robinson stepped out smartly in the May Day Parade. They handed out over 150 flyers and proudly represented VISCDS in the festivities. Bill is particularly hoping you all saw them on TV!

Ruth and Jamie MacKendrick

VISCDS members were sorry to hear that Jamie MacKendrick died of pneumonia on May 4th at the Saanich Peninsula Hospital. A celebration of his life was held May 20th at the Bay Street Armoury, Canadian Scottish Officers Mess. Jamie was a long-time member of VISCDS and kindly sponsored our annual Ball at the Wardroom, CFB Esquimalt for many years.

Earlier in the spring Ruth was one of the honoured guests to participate in the Vimy Ridge Memorial Re-dedication. Anne Scott has submitted the following write-up:

Vimy Ridge Memorial Re-dedication

On Monday April 9 at 7 a.m. PDT many Canadians watched the re-dedication of the Vimy Ridge memorial on CTV. Amongst the honoured guests - Ruth MacKendrick, a World War 2 veteran was one of two Canadian delegates chosen to represent the Nursing Sisters of Canada Association. Upon her return, I spoke with her and quote "it was an honour and very thrilling to be chosen and to attend such a moving ceremony". It was a very proud moment for all of us and especially Jamie, to see the Queen nod and Ruth respond in kind, then the President of France and his wife stopped to chat with Ruth! A wonderful honour for such a delightful lady.
